MEG WALKER, FOUNDER, FITNESS & WELLNESS COACH
& STICKY TOFFEE PUDDING ENTHUSIAST.

My mission is simple: to help you move, think, and feel better. Just like you, I've faced the confusing world of health and fitness, dealing with challenges, burnout, and setbacks from unsustainable fixes.

Here's the truth: getting fit can be hard, but it shouldn't be complicated. That's why my coaching approach is all about simplicity and sustainability. Over the past decade, I've transformed from a tired, anxious mess into an energetic, anxiety-free athlete, conquering marathons, Ironman, and setting Guinness World Records.

I understand the value of incredible customised coaching. Now, let's redefine wellness together and achieve your goals sustainably. Your journey is unique, and I'm here to guide you every step of the way.
